Zhejiang Huayou Cobalt Releases Results for the Third Quarter of 2026

Tongxiang City, China, October 23, 2026

Zhejiang Huayou Cobalt Co., Ltd. (“the Company”) today released its results for the Third quarter of 2026.

Key Operating Information

During the Reporting Period (1 July to 30 September 2026), the Company has fully leveraged its advantages of industrial integration. The Company’s operating income was RMB 25,208,029,830.39, representing an increase of 15.93% compared with the same period last year. The increase in operating income was mainly due to an increase in the sales volume of new energy material products. The net profit attributable to the shareholders of the listed company was RMB 802,634,951.41, representing a decrease of 46.68% compared with the same period last year. And the net profit attributable to shareholders of the listed company after deducting non-recurring profits and losses was RMB 739,186,352.70, representing a decrease of 48.13% compared with the same period last year. The decrease was mainly due to fluctuations in metal prices and increases in the prices of bulk auxiliary materials such as sulfur.

At the end of the Reporting Period (30 September 2026), the total assets of the Company were RMB 193,080,988,878.68, representing an increase of 21.10% as compared to the end of the previous year (31 December 2025). The owners’ equity attributable to shareholders of the listed company was RMB 50,504,044,458.54, representing an increase of 4.57% as compared to the end of the previous year (31 December 2025).
